Sponsored Projects Office
Joyce So, Interim Associate Director

Berkeley

National Aeronautics and Space Administration (NASA)

- New [Grant and Cooperative Agreement Manual \(GCAM\)](#)
 - Replaces the current GCAM and Proposer's Guide
 - Terms and Conditions are now separated from the GCAM and they can be found [here](#) as a standalone document
 - Incorporates changes to the 2 CFR 200
 - Includes NASA's implementation of NSPM-33 and CHIPS Act requirements
 - Effective Date: Oct 1, 2024
 - NASA resources on GCAM revisions:

Subrecipient Commitment Form (10/2024)

- A new version of the Subrecipient Commitment Form, dated 10/2024, has been published on SPO's website:
<https://spo.berkeley.edu/forms/subaward/UCBsubrecipient.pdf>
- Form was updated in line with the revisions to the Uniform Guidance (now the OMB "Guidance for Federal Financial Assistance")
 - 10% de minimis rate has gone up to 15%
 - The Single Audit threshold has increased to \$1,000,000
- Please use the updated form immediately as you are preparing proposals with outgoing subawards.
