- Contact Information

# Background

- What is Phoebe Search
- How is CSS involved in Phoebe Search as it relates to Phoebe Content Management

**DEMO**

# Why Upload Documents into Phoebe Search

- Convenient, easy and efficient
- Saves filing space (physical and shared drive)
- One central location for records
  - Complies with UCOP record retention policy
- Promotes a collaborative environment
  - Between CSS RAs of different teams, units, Pls
  - CSS RAs and Campus Departments

# Accolades and Recognition

- And the winner of last Months Content Management File Upload
  - Drumroll please...
- And the Next Award will be recognized
  - TBD ( Email, RA Event, etc)
  - It may be you!?!)
